The screenshot shows the CafeMom website homepage. At the top, there's a navigation bar with the CafeMom logo, social media links for Facebook, Twitter, and YouTube, and options for 'Log In' and 'Join CafeMom'. Below this is a banner for 'The Lounge' with a 'Go Now' button. The main header features the CafeMom logo and a search bar. A teal navigation bar contains links for 'Explore Groups', 'The Stir', 'Games', 'Videos', and 'Moms Matter 2012'. The main content area is divided into several sections: a 'TALK ABOUT' section with five article thumbnails, a 'Welcome to Cafe Mom' banner with a 'Join For Free' button, a 'today on CafeMom' section with a list of three featured articles, and a 'Recent Updates from CafeMoms' section showing a post by 'angel17sa'. At the bottom, there are various utility links like 'Make your own photo book on Blurb!', 'Share Page', 'Recent & Popular', 'Hot Topics', 'Check in on meebo', and 'Sign in'.

You will now have to click on the join for free link which looks like this.

How do you get fruit into your kid's diet while eating out? Share your ideas!

These pictures are just a few of the links your profile will provide.

So as you can see this site has many great things to offer you and will highly benefit the program 'mummy's get together' because we can all come in to the classes with new ideas from people outside the group and opens up the classes to some more discussion.

I recommend this club to all those considering joining up to Mummy's get together, it won't disappoint.

Hope to see you all joined up soon!
